14. Use of Dictionaries

Candidates whose first language is not English may use a dictionary in written examinations, provided that the dictionary is English/Foreign Language. Candidates should at the time of entry advise the State Office of their intention to avail themselves of this regulation, outlining their reason for so doing. The State Office will then provide the candidate with an authorising letter. Candidates will be asked to present the dictionary and the authorising letter to the examination centre supervisor prior to the commencement of writing, for checking.

15. Candidates with Disabilities

AMEB makes every effort to accommodate candidates with disabilities by providing reasonable adjustments to the means by which examinations are undertaken (but not the examination requirements themselves). Teachers and candidates should contact the State Office for further details.

16. Non English-Speaking Candidates

On application to the State Office, non English-speaking candidates may seek to have an accredited interpreter present at their practical music examination. Candidates for written examinations are able to have the examination paper translated into their first language. For details please contact the State Office.

19. Additional and Prerequisite Requirements

(a) Prerequisite Requirements: LTMusA.

For this diploma examination as set out in Table A, candidates must pass a prerequisite examination, which is regarded as a qualifying examination, before entering for the principal examination. A pass in any higher grade than the stated prerequisite will be accepted.

It is the responsibility of the candidate to give notification as to the date of passing this prerequisite requirement, and the centre at which such examination was held.

(b) Additional requirements: Grades 6, 7 and 8 practical; Certificate of Performance, Associate and Licentiate practical, Associate and Licentiate Theory and Musicianship.

For these examinations, as set out in Table A, an additional examination is required. In the case of these examinations, the additional requirement need not be completed before the principal examination, but, until both the principal examination and the additional requirement are passed, the examination is incomplete, and no certificate will be awarded.

It is the responsibility of the candidate to give notification as to the date of passing this additional requirement, and the centre at which such examination was held.

(c) Alternative Examinations. Alternative examinations set out below will be regarded as satisfying the prescribed prerequisite or additional requirement.

A degree or diploma in music from a recognised Australian or overseas tertiary institution will be deemed to have met the prerequisite or additional requirement/s for: Grades 6, 7 and 8 examinations, Certificate of Performance examinations, Associate diploma examinations and Licentiate diploma examinations.

For practical examinations, qualifications earned through the alternate examining authorities as set out in the table will be deemed to have met the necessary additional requirements.

(d) Recommended pre-entry levels: Certificate of Performance; Associate practical; ATMusA

Although no prerequisites are required, it is recommended, as a guide, that before entering for the Certificate of Performance, candidates should have achieved a pass or above in Grade 8 practical in the instrument. It is further recommended, as a guide, that before entering for the Associate, for those syllabuses offering Certificate of Performance, candidates should have achieved a pass or above in Certificate of Performance. For those syllabuses not offering Certificate of Performance, the recommended pre-entry standard for Associate is a credit or above in Grade 8 practical in the instrument. Candidates also need to be aware of the Objectives for Certificate of Performance and/or Level 3 examinations. For guidance on the recommended pre-entry levels for the ATMusA, refer to the syllabus in this Manual.

20. Examinations in Sections

The subjects set out below are divided into sections as shown. Except where otherwise stated, candidates must pass all sections of the examination before a certificate is awarded. A separate fee is payable for each section. A certificate will be issued upon the successful completion of all sections of the examination within periods as prescribed – namely, for a two-section examination, within four years; for a three-section examination, within six years.

22. Certificates

Certificates will be awarded to candidates who fulfil the requirements of the award. Certificates specify the subject and grade or diploma of examination and the result obtained.

EXAMINATION PROCEDURES**23. Inability to Present for Examination**

Candidates who are prevented by illness or other exceptional cause from presenting themselves for examination, should notify the State Office as soon as possible. On payment of a transfer fee, it may be possible to reschedule the examination. Details can be obtained from the State Office.

24. Accompanied/Collaborative Pieces

Examination pieces, other than Extra List pieces, which require Accompaniment or a Collaborative Artist may not be heard or assessed without the necessary Accompaniment or Collaborative Artist. The examiner is not permitted to play the Accompaniment or Collaborative Artist part for the candidate. If there is one such work lacking Accompaniment or Collaborative Artist the result will be reduced by one full grade; e.g. A down to B etc. If there are two or more such pieces then the result will either be reduced by two full grades from A to a C or, if the result would have been other than an A, 'unable to assess' will be stated on the report sheet, and an explanation made in the general remarks. Accompaniment of Extra List pieces is not required, even if the pieces are written with an accompaniment.

25. Pieces Not in the Syllabus

If a candidate presents a work which is not prescribed for the grade or diploma within the syllabus for which the candidate has entered, the examiner will indicate this to the candidate and will advise that the work cannot be heard. The candidate will be given the opportunity to substitute another work from that grade or diploma, but if no substitute is offered, the candidate will be asked to proceed directly to the next item of the examination. On the examination report, the examiner will note that the omitted work cannot be assessed as it is not prescribed for the particular syllabus, grade or diploma for which the candidate has entered. In grade examinations the absence of one work reduces the overall result by one full grade; e.g. A down to B etc. If two or more works are not assessed because the works presented are not prescribed for the grade within the syllabus for which the candidate has entered, the overall result will be noted as 'unable to assess' with an explanation being given in the general remarks. In diploma examinations, the absence of one or more works will result in no award being given.

26. Performance of Prescribed Pieces

Examiners may at their discretion hear the whole or any portion of the prescribed pieces presented for examination.

27. Written Examination Procedure

Candidates should note that no materials other than pens, rulers, pencils and erasers are permitted in written examination rooms.

28. Complaints

Every effort is made to make each examination an enjoyable event. The examiners are professionals in their field and are highly trained to conduct quality assessments and provide informative reports. Each State Office has established procedures for handling complaints. Should you have a concern or complaint about an examination, please contact the State Office.

PRACTICAL EXAMINATIONS**Levels 1, 2 and 3 Assessment**

The syllabus objectives introduce each of the three levels of a syllabus. They specify the required areas of achievement within each syllabus and are the basis upon which candidates and teachers work and upon which candidates can expect to be assessed. The detailed Grading Descriptors report the candidate's achievement against the objectives for the level and the specific syllabus requirements for the grade.

Grading Descriptors: Grades – Levels 1 and 2**High Distinction – A+:**

In addition to satisfying the requirements for an A grading (below), the candidate demonstrates outstanding achievement in meeting the syllabus objectives in all Sections, including performance flair, consistent technical fluency and penetrating stylistic insight.

Honours – A:

The candidate demonstrates an overall superior level of achievement in meeting the syllabus objectives in all Sections, in terms of musicianship, security of technique (including intonation, tone, phrasing, articulation, rhythm), and stylistic awareness.

Credit – B+ or B:

B+: In addition to satisfying the requirements for a B grading (below), the candidate demonstrates meritorious achievement against most of the syllabus objectives.

B: The candidate demonstrates an overall creditable level of achievement with appropriate development of musicianship, technique and stylistic awareness in accordance with the syllabus objectives. Some unevenness of achievement in meeting the syllabus objectives or between different Sections of the examination, may be apparent.

Satisfactory – C+ or C:

C+: In addition to satisfying the requirements for a C grading (below), the candidate demonstrates more than adequate achievement against some of the syllabus objectives in each Section.

C: The candidate demonstrates an overall adequate level of achievement in musicianship, technique and style in accordance with the syllabus objectives. Considerable unevenness of achievement in meeting the syllabus objectives, or between different Sections of the examination, may be apparent.

Not Satisfactory – D:

The candidate demonstrates an overall inadequate level of musicianship, technique and style and does not satisfy the syllabus objectives. Often this has resulted from inadequate preparation. Presentation is often hesitant, evidencing technical errors and/or an inappropriate sense of style.

Grading Descriptors: Diplomas – Level 3 (AMusA and LMusA)**Associate Diploma (AMusA)****Award with Distinction**
