All pieces in this volume have been edited with regard to current concepts of performance practice. Fingering, dynamics, articulation and pedal have been suggested to assist candidates and their teachers in developing their own interpretations. Markings in square brackets are editorial. Recommended metronome markings are given as a useful, but not definitive, performance guide for all pieces.

Repeats of more than a few bars should be omitted in the examination unless otherwise instructed in the syllabus or in this Trinity music book. all *da capo* and *dal segno* instructions should be observed.

Every effort has been made to trace and acknowledge the copyright owners. If any right has been omitted or if any detail is incorrect, Trinity College London apologises and will rectify this in any subsequent reprints following notification.

Trinity College London would like to thank John Kember, Pamela Lidiard, Michael Round, Peter Wild and John York for their work on this series. Music typeset by Moira Roach and New Notations London.
